## POTTERY AND CERAMICS CLASS

## CREATE GREEK POTTERY AND DESIGN IT YOURSELF!

The production of pottery is 'kerameikos' in Greek. Sounds familiar? Of course, ceramics came from that Greek word and the Greeks are pottery experts as that's what they needed for their everyday life! So when in Athens, one of the greatest things you may learn is to create Greek pottery and design it yourself! What better souvenir from your trip than something Greek and most of all, something you made yourself!
